F.C.H.S.: OUT OF

WHAT MAKES FC
OUT OF THE ORDINARY?

A very dedicated teaching staff and our tremendous community support contribute to success FC enjoys.—Dr. Duke

Due to the small population, you get to know your teacher better on a one-to-one basis.—Russ Morris

There is a good student-teacher relationship. We come from a tight-knit community.—Mr. Kappas

A lot of unique people.—Cara Bracher

I like the opportunities of having Academic clubs, and participating in a spelling bee contest in other schools.—Jennifer Rogers

The best part of this school is the cross country team led by . . . Mr. Bannon.—Tom Kennelly

I think that we are more free to do a lot this year. The students are getting along a lot better than in past years. That's because we have a great senior class leading us.—Brad Gambrell

Me!—Mr. Walker

The senior class.—Ian Holder

Mrs. Noot.—The FC Singers

The yearbook staff.—Mrs. Reedy

The newspaper staff and all aspects of dramatic productions (especially set design).—Ms. Hunteman

A beautiful and very pleasant color scheme in the commons.—Jason Matthews

The school is colorful.—Joy Jewell

School spirit.—Sheri Morris

We finally get to chew gum in school!—Ronnie Sparks and John Jackson

YOU CAN'T TAKE IT WITH

In the school play, "You Can't Take It With You," Alice Sycamore (L. Osborne) and Tony Kirby (T. Reynolds), the vice-president of the company she works for, have fallen in love and plan on getting married. The young couple's families are total opposites and each have differing views on the marriage. The Kirby's, who are rich and proper, look down upon Alice and her family, who are all, with the exception of Alice, out of work. Each member of Alice's family is in his own little world. Penny (J. Dobbins) writes plays all day; Essie (C. Taulbee), who is very clumsy, wants to be a ballerina; Martin Vanderhoff (K. Parker), who enjoys catching snakes, hasn't had a job in thirty-five years; and then there is Miss Wellington (S. Harrell), who is a drunken actress, who lies on the couch, passed out, throughout most of the play.

The production of the play was 'out of the ordinary' in many ways. There were two sold out shows, which resulted in the addition of a Sunday matinee. The lights were set low to give a candle-lit effect and the members of the cast, in character, greeted the audience at the door as they arrived for the pre-show dinner.

THE REAL VARSITY

The annual powderpuff games were giant successes. In the first game, the sophomores defeated the seniors. During the second game, the juniors dominated the field and won.

At halftime, the crowning of the Powderpuff King, Brad Gambrel, was held. Other candidates for King were Ryan Crafton, Dan Blackley, Skip Eaton, Rob Maxey, Todd Swails, Tom Corlett, Todd Colip, and Mike Mozingo. The halftime entertainment was the F.C. Marching Band. Members were not in normal uniform, but were in homemade costumes. For example, they were dressed as a G.I. Joe, a lady in shower clothes, and a Coca-Cola man. The winner for orginality was Brian Whitman as the Tropical Fruit Dancer. In the third quarter, the seniors and the freshmen played, with the seniors winning. The fourth quarter was for the championship, with the juniors and the sophomores playing each other. In the middle of the quarter, the juniors scored a touchdown and held the sophomores to the end.

The coaches for the seniors were Mr. Skaggs, Mr. Raters, and his daughter Marie. Mr. Van Hooser, Mr. Hughes, Ms. Kelso, and Ms. Richhart coached the juniors. Sophomore coaches were Mr. Hanni, Mr. Hunter, and Mr. Stinson. Freshmen coaches were Ms. Curts and Ms. Hendryx.

"THE GLORY OF LOVE"

Many glorious moments will be remembered from Football Homecoming, held on September 19, especially the Flashes' exciting 28-0 victory over the Lawrence North Wildcats in the homecoming game.

The dance was elaborately decorated in oriental fashion to go along with the theme, "The Glory of Love," from the movie **Karate Kid II.**

The 1986 homecoming court consisted of freshmen, Jason Harlow and Rachel Mitchell; sophomores, Todd Tholen and Heather Stewart; juniors, Mark Campbell and Tammy Mitchell; seniors, Mark Amos, Wendy Carter, Mike Mozingo, Donna Starks, Tom Reasoner, and Tricia Renie.

During an exciting half time, Donna Starks was crowned Homecoming Queen by last year's queen, Rhonda Neuner. At the dance, the crowning of King Mike Mozingo by Queen Donna Starks was followed by the traditional dance of the court to the theme song. Other moments to be remembered are the pep session, the senior class winning the annual hall decorating contest, with their hall brightly decorated under the theme "Senior Safari," and the juniors' victory during the Powder Puff game.

A CHRISTMAS PORTRAIT

On December 16, 1986, "A Christmas Portrait" was presented, aiming not only to entertain, but also to give the audience an insight into the history of Christmas music.

Songs included were "Resonet de Laudibus" and "Deck the Halls" from the Renaissance; "And Who Shall Behold" from the Baroque era; "Babe of Bethlehem" from the Revolutionary War era; "Sing Out the News," "O Come All Ye Faithful" and "Hallelu, Hallelu" from the Civil War era. The band played turn of the century songs "Echoes de Noel," "Cantique de Noel," and "Happy Holiday." In the World War II era, "Boogie Woogie Bugle Boy," "White Christmas," "We Three Kings" and "Have Yourself a Merry Little Christmas" were performed. With the sixties came "Little St. Nick." Today's sounds included "Go Tell it On the Mountain," "Jazz Gloria," "Love In Any Language" and "Merry Merry Christmas." For the finale, the entire music department, consisting of the FC Singers, the freshman chorus, symphony band, jazz band, and choir, performed "Christmas Portrait."

ADVENTURE INTO TERROR

The Halloween spectacular event was "The Haunted" whose theme was "Psycho II." "Freddy" from *Nightmare on Elm Street,* "Jason" from *Friday the 13th,* and "Samantha" from *Deadly Friend* were some of the main attractions. While some people were in "The Haunted," they experienced life in the "Bates Motel," a house filled with cannibals, and a graveyard populated with zombies.

While shrieks pierced the haunted house, the annual Halloween dance, sponsored by the choral department, was in progress. During the dance some of the teachers judged costume contests. The top winners for originality were Brent Gambrel and Chad Cassinelli. Disc jockeys were Ron Sexton and Corey Andrews.

AWARDS NIGHT '87

Award's night was a total success. Amy Wakeland took home many of the awards. She was presented with the Wanamaker Business Association Scholarship, the President's Physical Fitness Award, the National Merit Scholarship, the Hoosier Scholarship, and several other awards.

Each of the departments presented an award to the top student in that course. Lisa Steele won the "Class of 1987" Scholarship and Mike Mozingo was the top winner of the Prelude Award.

"ENDLESS LOVE"

Basketball Homecoming was sponsored by the junior class. The dance was held on February 13 and was decorated with the theme, "Endless Love," for Valentine's Day.

The Flashes played Beech Grove in the homecoming game and successfully defeated the Hornets 73-44. During halftime of the game, Dee Dee Starks was crowned the 1987 Basketball Homecoming Queen by Michelle Rooze, last year's queen.

Following the game was the traditional homecoming dance. The most exciting part of the dance was when Tim Koers was crowned the 1987 Homecoming King.

The Basketball Homecoming Court members were Freshmen, Sheri Meyer and Steve Mozingo; Sophomores, Nicole Howlett and Rodney Powell; Juniors, Kim Hall and J. C. Steinbrook; and Seniors, Dee Dee Starks, Tom Corlett, Toni Briggs, Tim Koers, Laura Gonzalas, and Paul Watson.

Events leading up to homecoming included the showcase competition, in which the junior class was victorious with the theme "Flashes get heartless and buzz by the Hornets."

THE WIZARD OF OZ

The production that ran March 12-15, 17, 1987, was unusual in many ways. Whereas most shows run for three nights, two nights were added due to popular demand. In a short period of two months, the largest number of people involved in a production at FC (238 cast members, 50 crew members, 25 musicians and 80 parents) put together a brilliant production of the original play of *The Wizard of Oz*.

From taking for granted her home and family, consisting of Aunt Em (L. Brown), Uncle Henry (D. McCollom), and Joe (B. Smith) on a Kansas farm before the cyclone, landing on the wicked witch of the East and making an enemy of the wicked witch of the West (H. Smith), to Munchkinland and in following The Yellow Brick Road, on which she meets the scarecrow (B. Whitman), the tin woodman (T. Reynolds) and the lion (J. Schnepp) to the Emerald City of Oz, Dorothy (C. Harkness) comes to realize that "There's no place like home."

"ALMOST PARADISE"

The turnabout dance, held on April 10, was truly paradise. This dance, sponsored by the student council, gave the girls a chance to ask their favorite guys out.

For a look of paradise, the dance floor was tropically decorated with palm trees, a grass hut, and a pool with candles floating on top. The couples danced under the stars on the patio for a romantic evening of tropical paradise.

TALENT EXTRAORDINARY

The annual Blue and White Review was emceed this year by LaTonya Brown and Brian Whitman.

There were a variety of entertaining acts. Those who received awards were as follows: first place instrumental, "Dressed to Kill," which included Keagan Clark, Joe Day, and David Jones; second place instrumental, Jim Garrett; first place vocal duo, Brian Smith and Carol Rogers; second place vocal duo, Steve Spiker and Brenna Waterman. First place vocal went to Mike Mozingo, and the over-all award went to Brian Smith and Carol Rogers.

OUR STUDENT COUNCIL

Activities planned by Student Council this year were the teacher breakfast, the back to school dance, football homecoming, teacher appreciation week, student of the week, turnabout, issue of the month, tree fest and candy grams.

The purpose of Student Council is to promote the best interests of the school and its members, to provide students with an opportunity to practice representative democracy in the school, to unite the student organizations, to promote student activities in the school, to promote means whereby students may exercise a measure of control over their own laws and order, and to aid the administration in the solution of administration problems directly or indirectly pertaining to the students.

At the meetings, the thirty members conduct business, plan activities and work on committees. The officers are president, Pam Crites; vice president, Amy Wakeland; secretary, Kristy Moss; treasurer, Lara Jantzen; and publicity chairman, Amy Potts.

HONOR STUDENTS

Activities which have been planned for National Honor Society are the Grandparent Day and the installment of the new members. The purpose of this club is to do service programs for others. One of the main goals of National Honor Society is to be really involved in the club and aiding others. At the meetings, the current members plan programs and do service work. The 1986-87 National Honor Society officers are president, Rich Nye; vice president, Rhonda Rushton; secretary, Nancy Moles; and treasurer, Gwynn Carnagua. The new members were installed on May 5. There were fifty-nine new junior members and six new senior members. Forty-four seniors returned to receive their two-year membership cards.

VARSITY PRIDE

The Boys Varsity Club's purposes are to represent the varsity lettermen of Franklin Central, to promote the school's commendable image whenever and wherever the award is worn, to participate in activities which would help raise funds for the purchase of athletic awards, and to volunteer the services of the club towards athletic events when the occasions arise.

The members of the club get involved by participating in club activities, such as working at the concession stand, selling programs and parking cars at athletic events, and wearing their sweaters on letter sweater day.

The officers of the club are president, Tom Reasoner; vice president, Brad Cougill; and secretary/treasurer, Derek Asay. At the club meetings, along with the members, the officers discuss club activities for upcoming athletic events.

The Girls Varsity Club is very similar. The girls work at the concession stand in order to raise money to purchase awards given to the athletes. Such awards are numerals, letters, sweaters, jackets, plaques, and certificates.

The officers of the club are president, Michelle Johnson; vice president, Shauna Isaacs; and secretary/treasurer, Amy Potts.

FC'S CHRISTIAN ATHLETES

Activities planned for FCA are the breakfasts, secret santas and the jog-a-thon, in which Mike Hurt brought in the most money.

The club's purpose is to share Christ and Christian fellowship with others. At the first meeting, Mr. Knoop commented, "You don't have to be an athlete to be in FCA, just a Christian wanting to get together with other fellow Christians."

At the meetings, members get to watch films, listen to speakers and contribute to lessons, including planning and sharing ideas.

Officers include Dawn Divita, Amy Potts, Michelle Johnson, Kim Totten, Mike Mozingo, president, and Donna Starks, vice president.

CHEERLEADERS PEP IT UP

The cheerleaders can be found at every boy's football and basketball game. They help produce spirit and cheer on the team. "Thanks to all the fans it makes our job a little easier," commented Kim Lazo, captain of the varsity squad. In competition at the Johnson County Fair, the reserve squad took first place and the varsity squad received second place. The captains this year are Kim Lazo, varsity, Mandy Stinson, reserve, Rachel Mitchell, freshmen. Captains for all squads must organize pep sessions and buy treats for the players.

MAID AIDES

Matmaids are found decorating the school for wrestling meets after school. They attend all wrestling meets and cheer on the wrestlers. "I grew up around wrestling and wanted to do whatever I could to support it," commented Lorrie Horne.

Captains for the squad are Lorrie Horne and Laura Gonzalez. The captains are responsible for choosing uniforms, organizing weekly Monday meetings, and informing other matmaids when buses leave.

THE TWO PHASES OF MEDIA

The library assistants take care of library material and make themselves avilable to help other students. They are also responsible for shelving books. Since the library has been renovated this year, library assistants perform the same tasks but in a different manner. The new computer system helps alleviate bookkeeping errors.

The Video Production Crew produces video programs for school promotion and the making of a video yearbook. The crew was selected for their dependability and talents. The crew shoots footage of various school activities and then edits and narrates the footage.

OPPORTUNITIES IN HEALTH

This year the Health Careers Club has had speakers, Career Shadowing, Health Week, March 16-20, and a Blood Drive on March 18. The club promoted the blood drive by posting signs all over the school, influencing people to take part in the drive. The purpose of the club is to provide an opportunity to learn more about the health careers in which students are interested. The club has 33 members, and the officers are Tim Curren, President; Ronda Rushton, Vice-President; and Michelle Elder, Secretary. The club sponsors are Mrs. Miniear, Mrs. MacAleese, and Mrs. Coahran.

EXPERIENCING DIFFERENT CULTURES

The purpose of the Modern Language Club is to make students more aware of the cultures of more than one language. The club has done things like have a Christmas party, visit foreign food restaurants, participate in the Foreign Language Olympics, and have the Modern Language Club Banquet. The club has over 100 members, and membership is open to any present or past student of French, Spanish, or German. The club sponsor is Ms. Curts and the co-sponsor is Ms. Hendryx. The club officers are Shelly Dougherty, President; Sandy Waynick, Vice-President; Tracy Lindberg, Secretary; and Dawn Jenkins, Treasurer.

The purpose of the Junior Classical League is to further interest students in the classics. With approximately 35 members, it's clear that many are interested in the classics. The club officers are Amy Potts, President; Shanna Isaacs, Vice-President; Emily Coe, Secretary; and Michelle Elder, Treasurer. Mrs. Green is the club sponsor and has been for the past eight years. The club was involved in Saturnalia around Christmas-time, the Roman Banquet in the early spring, and the Foreign Language Olympics in May.

THE CLUB THAT REALLY SHINES

The Sunshine Society's club motto is "Others," and its main purpose is to spread goodwill and bring happiness into the lives of others. Sunshine was involved in such activities as having an Ideal Lady Night, visiting and taking gifts to nursing homes, and having a Central State/LaRue Carter Teen Toy Shop. The club also made donations to Riley Hospital and the Connie Young Memorial Scholarship. The club had a jewelry campaign in October and November to help raise money for donations and nursing home gifts. The club officers are Adena Carr, President; Joy Jewel, Vice-President; Stacy Dunlap, Secretary; and Jenny Wakeland, Treasurer.

THE ACT OF CONCENTRATION

The Drama Club has accomplished many things this year with the help of its sponsor, Mr. Hardy. The club officers, Brian Whitman, President; Tony Reynolds, Vice-President; Melissa Nagle, Secretary; and Holly Smith, Treasurer, also helped in the club's success, although without its 150 members, the club would not have done as well. Some of the club's achievements are "You Can't Take It With You," "The Haunted," "Wizard of Oz," and the annual "Blue and White Revue." The purpose of the Drama Club is "to encourage kids to get involved and work together for a common goal," says Mr. Hardy.

The Chess Club has nearly doubled in size, with approximately 100 members. The President is Jethro A. Townsend; Richard Craig is the Vice-President; and Marlon Wright acts as Secretary and Treasurer. The club sponsors are Mr. Kappes and Mr. Clarke. The Chess Club allows members to play against others and test their skills against worthy opponents. The club had an annual chess tournament October 9th.

BRAINS REIGN

Brain Game is academic competition between schools sponsored by Channel 13. Questions asked on the show cover such topics as art, music, history, spelling and geography.

Students are invited to tryouts for the team. They are given a written test and then they are asked questions orally. Only the best are asked to stay on the team. Team members must stay after school and practice, along with studying on their own.

THOSE WHO EXPLORE

Any student who has an interest in biology may join the biology club. Students can learn more about particular topics they are interested in and more about biology related careers. Events planned for the year included a guest speaker, Mr. Greg Dye, a conservationist speaking on wildlife. Other guest speakers informed students on careers.

The Junior Engineering Technical Society, otherwise known as JETS, study the world of aviation. Any student interested in aviation will enjoy this class. The JETS members studied the qualifications required to become a pilot.

UNITED WE STAND

Model UN allows students the opportunity to better understand the leadership required by a nation. Members of this club study public issues, write resolutions, debate proposals, vote and do other things in the legislative process. FC students joined other members from various schools in this area at a delegation meeting at IUPUI on March 13.

"Being a member of the Franklin Central Model United Nations Delegation requires a sincere commitment," says Mr. Walker, the sponsor. Members are assigned to different days in which to meet, according to their country. Delegates are divided into blocs according to their political and geographical characteristics. Because of the large number of delegates, only specific blocs meet on certain homeroom days.

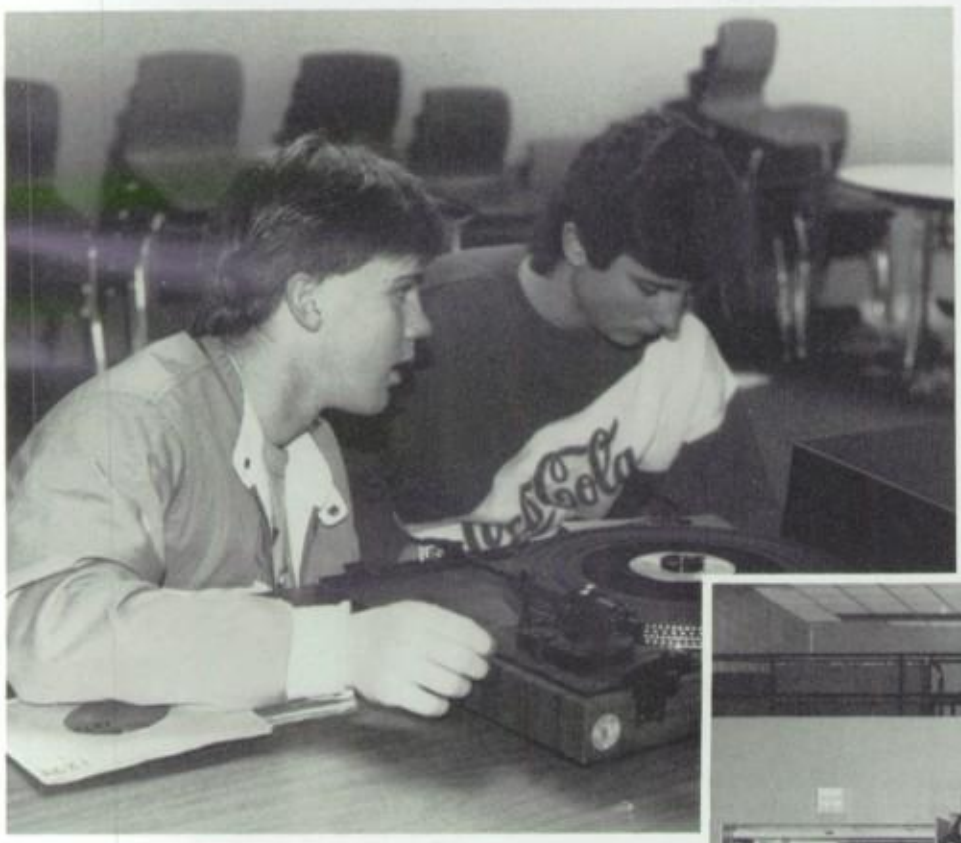
STUDENTS AGAINST DRIVING DRUNK



Activities which have been planned by the S.A.D.D. club are films on drinking and driving, speakers, and the S.A.D.D. activity night. The activity night was opened to all Franklin Central students. The activities consisted of an open gym, open pool, dance, movies and games. The club's purpose is to make the students aware of the dangers of drinking and driving. Franklin Central's S.A.D.D. chapter consists of two hundred fifty-six members. At their meetings, they view films and listen to speakers on drinking and driving. The club has an advisory board which consists of the following students: Melissa Middleton, Tricia Richardson, Vanessa Grider, Jennifer Krimmel, Melissa Nagle and Shawn Glass.

TEACHING, SPEAKING AND SERVING

The Speech Club is a new club to FC and was formed to give students a chance to perform speeches in front of an audience and judges. The club also helps in improving the members' speaking ability. The club competed at five speech contests, including sectionals, throughout the state.

Future Teachers of America is also a new club. It was formed by Mrs. Chris Cook. The activities of the club included giving Christmas cards to teachers and student teaching at elementary schools. Members of FTA watch video tapes on teaching and talk about fund raisers at meetings. Club officers include President Dee Dee Starks, Vice-President Donna Starks, Treasurer Amy Creed, and Secretary Laura Montgomery.

4-H Junior Leaders is one of the many clubs at FC that helps prepare students for future work. Angela Cook, an active member, says that the club helps develop leadership skills that can be helpful to any job. In this club, members aid adult and supervising leaders with various jobs. The club's advisors are Linda Ban and Judy Searcy. As a part of 4-H Junior Leaders, members are offered the opportunity to go on statewide and national trips and to win scholarships.

WITH A NEW "NOOT"

Under the new direction of Ms. Rebecca Noot, the F.C. Singers have expanded from 16 to 24 members to produce a bigger and better sound which puts them in a favorable position to compete with other schools. Besides competition, the singers also perform on the circle at Christmas time and at Union Station in the spring. They perform for the high school, middle school, and elementary school students, as well as for various clubs, hospitals, and nursing homes.

The choirs, also under the direction of Ms. Noot, spend time doing fun activities involving movement, games, ear training, group activities, and theory work, all of which are designed to develop better sightreading and general musicianship.

Both of these talented singing groups perform mixtures of music ranging from very contemporary songs to challenging classics. "All of my students have great attitudes and are fun to work with!" says Ms. Noot. "The school can be proud of them!"

HAUSER'S ROUSER'S

The Hauser's Rousers can take their work very seriously just about any time they want. They practice during and after school and on their own time. All their hard work really pays off. They came in 17th place at State Fair Band Day, 1st in the Ball State Homecoming Parade and performed in the 500 Parade.

Not only do they win awards for themselves, but they entertain us with music at the ball games and at various concerts during the year. They are a huge part of the spirit of F.C.

The officers are Joe Schnepp, Drum Major; Terry Thomas, Band Captain; Peggy Toon, Woodwind Lieutenant; Luke Staley, Brass Lieutenant; Angie Carmody, Percussion Lieutenant; Brian Whitman, Band Boosters Student-at-Large.

STRUT YOUR STUFF

The Flag Corps started fresh with 16 members, later adding Kathy Hartle, who came from Fort Wayne where she was also on the corps.

These gals have really worked hard. During some of their free time the girls would go to camps and to classes to help in their overall performance. During the summer the Flag Corps went to Smith Walbridge where they learned the corps routines and won awards. Melissa Nagle won #1 in the most outstanding category.

During this year the Flag Corps and the rest of the band went to many parades. At Cambridge City, the Flag Corps and the band won 1st place. Thanks to Mr. Hauser for a hard-working year.

DANCIN' IN THE RAIN

The Flashettes, led by Captain Christy Smock, consist of 18 members. These gals learned many dances from Nancy Marshall, the dance coordinator. Despite the long practices and rainy games, the girls enjoyed their work.

The Flashettes also had fund raisers to get money for uniforms. They helped the Flag Corps with the car wash and the cookie sales and candy sales. They raised enough to buy State Fair outfits.

The Flashettes also were at the Powder Puff game performance. The girls dressed up in anything that they wanted to. Some Flashettes dressed as babies, movie characters, cheerleaders, and a piece of candy.

The Flashettes and the Flag Corps perform at home football games and home basketball games and have always done an exceptional job.

THE HOT FLASHES

The Hot Flashes have worked very hard. Mr. Hauser received help with the jazz band from student teachers, Matthew Murdock and Rob Chapman, both from Butler University.

The jazz band has performed for weddings, nursing homes, dances, games, and concerts. The jazz band has used the tenor, baritone, trombone, trumpets, keyboard, piano, drums, percussion, saxophone and others at all of their performances. It has been in contests and performed at the Marion County Nursing Home, the school Christmas Concert, and Washington Square.

WISE CALCULATING

The math department has eight different courses offered which range from basic and general math, adding and subtracting; algebra, finding equations; geometry, learning theorems; trigonometry, finding sin and tangents; to calculus, doing derivatives. These courses are helpful for the future in such areas as architecture, teaching, and accounting. Also, math can help people keep a checkbook straight, do wise grocery shopping, keep a household budget, and spend money wisely.

Although math can be sometimes difficult, it is often enjoyable and definitely necessary for successful living.

COOK BOOK MAGIC

Home economics is the field of knowledge and service primarily concerned with strengthening and improving personal and family life. The homemaking program provides opportunities for learning experiences in textiles and clothing, foods and nutrition, housing and interior design, adult living, and crafts. Special activities, laboratory experiences, creative projects, guest speakers, and field trips are planned to help students develop intellectual, managerial, manipulative, social and creative abilities and skills essential for satisfying home making and family living. Some of the courses are clothing, foods, adult living, home arts, and Interior design.

HEAVY DUTY

There are many good reasons why a student takes an industrial course here. Through the year, students are able to work with actual material needed to do the job they are being taught. There is also learning about selecting, buying, using and maintaining the products of industry. Safe working habits are also taught along with the skills.

Some of the courses offered are drafting, electronics, graphic arts, photography, metals, woods, plastics, power mechanics, and independent study.

WORKING FOR CREDIT

"The co-op program enables a student to get work experience in a field of his choice. It also makes it possible for him to gain high school credits and to earn money," states Mr. Riehle, head of the co-op program.

The requirements are that a participant must be at least sixteen, must be a junior or senior, and must be a "responsible student."

Aside from gaining experience and making money, these students also learn about possible career choices and money management.

They spend half of their day at their jobs; then take courses which are related to their career choices. Industrial education classes, drafting, and economics classes are all part of the educational program.

SKILLS FOR THE FUTURE

"The students involved in the C-9 program need to have teacher and counselor recommendations, good attendance and citizenship, and success in a related subject area," says Mr. Tom Potts of the C-9 program. He also states that since FC is a comprehensive high school, it must serve students with a wide variety of interests. Vocational Education serves many of the students by providing them with job-entry skills and perhaps a lifetime career.

THE KEY TO COMPUTERS

Key Club is an organization providing volunteer service to the community, school, and other organizations. It does volunteer work for those who need volunteer help. This group has helped decorate for many activities, sent secret Valentines to teachers, assisted with the "I Have A Dream" project, sold Eastergrams, assisted Mr. Hardy in decorating the school lobby for After Prom, and assisted Student Council with Teacher Recognition Week.

The Computer Club is a club for students that have their own computers and are therefore interested in the exchange of computer knowledge. The club was formed because the students enjoy working with a computer, writing programs, and meeting with others who share the same interests.

PART OF THE NEWS

The PILOT FLASHES underwent several changes this year. The newspaper was printed overnight by a professional company and published more frequently, allowing the news to be more timely. An increase in size from an 8½ x 11 to an 11 x 17 form provided for more diversity in layout, more graphics, and pictures.

Under advisor, Ms. Billie Hunteman, the ten-member staff of the first semester spent many late nights working to meet deadlines and adjust to these changes. The second semester brought eight new members to the staff to make life a little easier.

With all the innovations, the new typesetter and the larger paper, the FLASHES gets better every year. We are looking forward to next year's! It's not a surprise that F.C. has an "out of the ordinary" newspaper staff.

TO KNOW

The art department is many times referred to as a "Jack of All Trades." During the school year, many extra outside assignments are completed. Some include T-shirt designs, program covers, calligraphy on certificates, stationary designs, and extra artwork for various teachers.

This year, the football posters were a major volunteer project, with between 15-20 students working on each poster. Another big project which the art department does is the illustration work for the GEMS magazine. Art students do pen and ink illustrations for many of the student poems in the magazine.

HOW TO SEE

The art department had some "out of the ordinary" results from the contests entered through the year, thanks to the students and the teacher, Miss Kathy Vogler. The first contest entered was Scholastic's Regional. Jared Brenton, Monica Runner, Joe Seip, and Candice Lowe won honorable mention. Mike West and Greg Huffman received Gold Key Finalist, which meant that their entries were being sent to the national competition. There they were two out of 20,000 to be judged. Five hundred entries are chosen for the national exhibit, and both Greg's and Mike's entries were selected. Only one other student in our school's history has ever received the Gold Medal Award and that was in 1984. The second contest was the 500 Festival of the Arts. There Paige Easley won the school its third Grand Award. The Grand Award is the highest award in the grade category. Paige won the first Grand Award for our school in her freshman year. The second one was received by Joe Bandy. First place awards were received by Doug Evans, Shannon Godwin, Julie Stephens, and Randy Pickrell. Second place awards were received by Michelle Johnson, Greg Fulk, Jon Ellis, and Jason Montgomery. Third place awards went to David Lichty, Mike Tuttle, and Joe Bandy. It's safe to say that our Art Department is "Out of the Ordinary."

OUR LAND, OUR PEOPLE

For people who want to return to the past, history can be exciting. Some classes that are popular to take are Orientation, Sociology, Psychology, World History, U.S. History, and Government.

Students in Mrs. Martin's classes pretended to be married parents with all accompanying responsiblities and problems. Mrs. Martin said the activity was "to help the students learn about themselves." Students discovered that parenting is hard work.

ELECTION DAYS

Election days were once again part of the government activities of the senior class. The silver party outweighed the gold party by collecting the majority of the votes in the election held November 7th. Three weeks of campaigning followed the convention held on October 15th. Gold and Silver were the two coalitions involved.

The platforms and candidates were voted on and selected at the convention. The poster making, handing out of platforms, and the giving of speeches were done during the days before the election. Something new this year was the debate held the day before the voting took place. It was very successful and seemed to greatly influence the outcome.

GET PHYSICAL

For students in P.E., a variety of games and activities are played, such as volleyball, basketball, team handball, aerobics, square dancing, and swimming.

Along with P.E., every sophomore is required to take a semester of health. A few of the subjects that this class covers are drug and alcohol abuse, sex education, emotional health, suicide, and the skeletal and the muscular systems. Ms. Alice Underwood, head of the health department states, "Health is something you live every day. Unfortunately, most people don't appreciate it until they lose it."

GETTING DOWN TO BUSINESS

F.C. has a terrific business department which offers many courses for young adults. The students here at F.C. are mostly interested in typing, shorthand, computers, introduction to business, keyboarding, accounting, business law, and co-op.

Nancy Moles, interviewed from her shorthand class, takes this class because "it's useful in taking notes, and it will help me in my future."

Correct placement of hands for faster, more correct typing is emphasized at the beginning of the class, with speed and accuracy being stressed later.

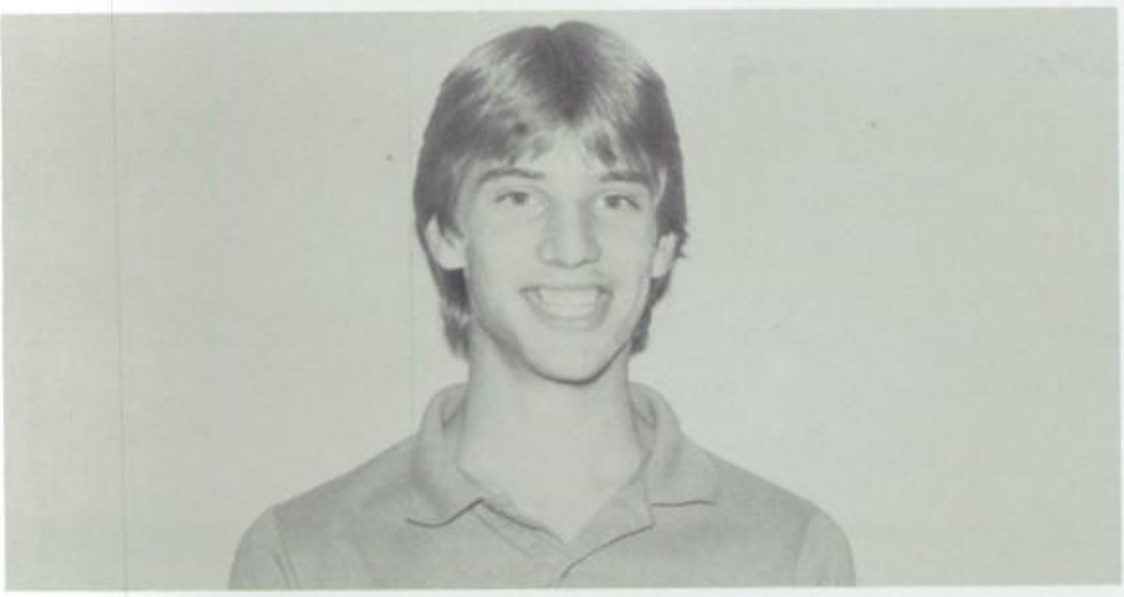
ENGLISH SPEAKS FOR ITSELF



English is a class that prepares students for life. The vocabulary helps students broaden their understanding of language. Also, the "Let's Read" program helps them understand the importance of reading.

In the school-wide "Let's Read" program, students choose their own recreational reading materials and every Thursday read for a half period. In some classes, students may even choose a spot on the floor or select the most comfortable position for reading.

There are many classes available for all levels of ability, but students are required to take four years of English.

IN ANOTHER WORLD

Take a peek in room 103 and you might catch a glimpse of Miss Fletcher standing on a chair identifying parts of the body in Spanish. Walk a little further down the hall and you may hear Miss Curts or Miss Hendryx explaining about the French culture and its customs.

"A foreign language broadens one's horizons and creates a new awareness of culture and all languages," states Mrs. Green, head of the foreign language department.

Whatever may be going on behind the closed doors in the foreign language hallway, you can be sure that the students are working hard to understand and speak a language that differs greatly from their own.

A WAVE ABOVE THE REST

Operated by an excellent staff made up of some of the best students at Franklin Central, WRFT is an FM radio station that broadcasts over a 20-mile radius at 91.5.

Each regular broadcast day begins at 6:00 a.m. and features popular music, news, sports, weather, interviews, contests, and feature reports. Included are several "special" broadcasts, such as the live remote from the Franklin Township Street Fair, the broadcast of the Go-cart Grand Prix, and live broadcasts of Franklin Central's football, basketball, and baseball games.

Throughout the year, WRFT conducts weekly interviews with outstanding FC students and with a wide variety of other people making news in Franklin Township.

An executive board consists of students on the staff which help with planning and decision-making: Program Director, Rich Nye; Promotion Director, Darren Stevenson; Music Director, Matt Raiders; Sports Director, Scott Kincaid; and News Director, Adina Carr.

Mr. Johnson, head of WRFT, states that the students on the staff are an energetic, hard-working group and that the school can be proud of the radio station that it operates.

IMPROVEMENT TAKES THE FLASHES ALL THE WAY TO THE HOOSIER DOME

The varsity football team ended the season with 12 wins and 2 losses. Setting simple goals of winning their first game and improving every week, they went all the way to the State Championship in the Hoosier Dome. At the end of the game, the team accepted the state runner-up plaque.

"We are very proud of their accomplishments. It was one of our most successful seasons ever against the toughest competition we have faced in my twelve years of coaching at FC," commented Coach Chuck Stephens.

Mr. Stephens received three awards for his coaching ability. He received the CSAC Coach of the Year, the Indianapolis Downtown Kiwanis Coach of the Year, and the Indianapolis News Coach of the Year.

Those players who received awards were Skip Eaton for Most Valuable Offensive and Defensive Lineman, Tom Reasoner for the Most Valuable Offensive Back and the recipient of the Mental Attitude award for the championship game, Ryan Crafton for Most Valuable Defensive Back and also the Most Valuable Player, and Eric McGath for Weight Lifter of the Year.

VARSITY'S FUTURE

The reserve football team completed its season with a final record of one win and five losses. The team's most difficult competitions were against Ben Davis, Lawrence North and Lawrence Central. Mr. Marks comments, "There were a lot of people on this team who had very little football experience. I did not know how they would play, but as the season progressed, we showed improvement."

The freshman team had an undefeated season along with one tie. The tie resulted from a six to six score in overtime against Center Grove. The longest touch down run belonged to Eric Kelly with a sixty-five yard run. Phil Longenecker had the longest interception touchdown with his run of thirty-seven yards. Kevin Johnson had a fourty-four yard fumble recovery touchdown, the best of the season. The longest touchdown pass was a thirty-seven yard pass from Kevin Johnson to Mark VanHooser. For the freshman defense, there was a total of fourteen fumble recoveries, thirteen quarterback sacks, sixteen interceptions, two blocked punts and one blocked P.A.T.

VOLLEYBALLERS LEARN CHARACTER

The varsity volleyball team finished its season with seven wins and seventeen losses. According to Ms. Underwood, the team's toughest competitors were Cathedral, Beech Grove, Perry Meridian, Ritter, and Greenfield Central. A top priority for the team was to play well in its last match, which it achieved successfullly. Dee Dee Starks was named most valuable player and Kim Wiese received the Hoyte mental attitude award. "The team learned to handle adversity, work hard, remain playing with a positive attitude and never quit," commented Ms. Underwood. "They also learned that you don't always acquire the things you want and work for. I am proud of them and what they did took character."

Ending with a record of six wins and eight losses, the reserve volleyball team faced tough competitors such as Roncalli, Greenfield Central and Perry Meridian. Coach Stricker commented, "We started the season very strong but, after about five matches, we began to struggle." Ms. Stricker also commented, "The goals the team set were good, although we need to set goals that will challenge the team or individual."

The Freshmen Volleyball team finished its season with two wins and nine losses. According to Ms. Miniear, "The team was competitive and the women who played improved."

THE RUN FOR SUCCESS

The boys "out of the ordinary" cross country team had a very good season, according to Mr. Bannon, their coach. They won sixty-seven per cent of their dual and triangular meets. The final season record was eight wins and four losses. The team qualified for the regional meet for the first time in the school's history. "We finished a little short of our goal, running in the semi-state, but we did do well," commented Coach Bannon. All of the lettermen will be returning next year to compete. Some of the returning lettermen, who were the team's leading runners, were Derek Asay, Jon Deney, Joe Slater, Tom Kennelly, Geoff Horen, Dan Slater and Wayne Reed.

FC'S GIRLS STRIVE FOR VICTORY

The girls' cross country "out of the ordinary" team completed its season with a tie for the best record in the school's history. The team had ten wins and four losses.

The leading runners were Jenny Schemenaur, Susan McClary and Laurie Simmerman. The most valuable runner and top freshman was Susan McClary. The most improved of the season was Melissa Huehls.

The great clutch performances by various team members were the positive factors in allowing the team to have such an outstanding record, according to Coach Simons.

THE SUCCESS OF SWIMMING

The boy's swim team finished its season with a record of thirteen wins and one loss. The team's captains were Brad Gambrel and Brent Goolsby. The 1986-87 Most Valuable Swimmer was Eric Verduin who was Conference Champion in the 200 Free and the 500 Free, Sectional Champion in the 500 Free, and State Qualifier in the 500 Free. School records, which he set, were in the 200 Medley Relay, 200 Free, 100 Free, and 500 Free. Rob McCann was State Qualifier in Diving and placed second in the Sectional. Billy Collins set a school record in the 50 Free. The team placed eighth in the county meet, fifth in the Central Suburban Athletic conference meet, second in the Bedford Invitational, second in the Sectionals, and first in the Beech Grove Invitational.

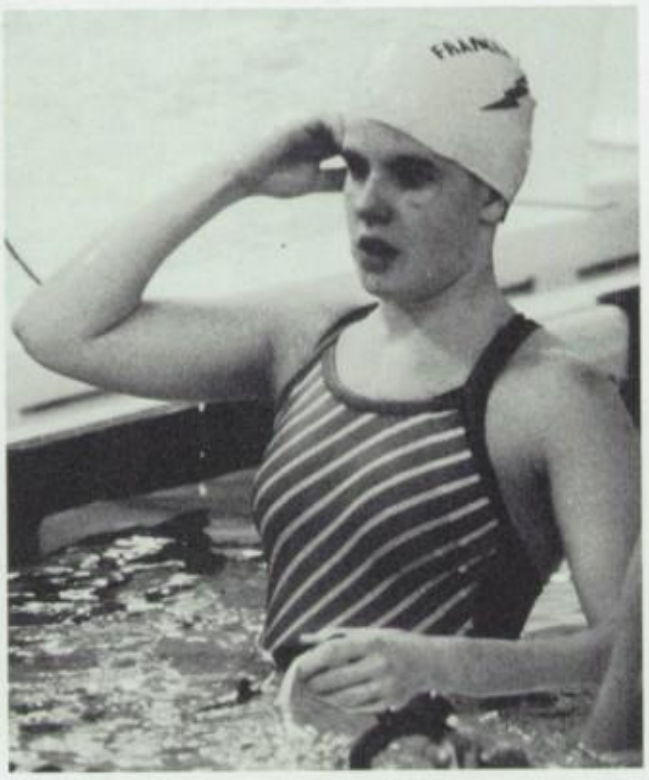
SWIMMERS MAKE A BIG SPLASH



The girls' swim team ended the season with a record of 3 wins and 13 losses. Coach Kay Gibson was satisfied with this, explaining that they only had 6 swimmers, while other teams had between 16 and 26. The most valuable player award went to a junior, Rachel Fallon. Coach Gibson was eager for the season to begin and said the swimmers had good attitudes. She also added there was a desire and the ability to do well. The best meet of the season was against Indian Creek, according to the coach.

VOLLEY TO VICTORY

The boys' varsity tennis team closed the season with an 18-3 record. The junior varsity team ended the season with a final record of 14-0. The most valuable player award went to junior, Kyle Jackson. "Super Kids! I love them all," says Mr. Bankston about the team. He feels the teams that posed the biggest challenge were Center Grove, Pike, Southport, Lawrence Central, and Lawrence North. Yet, every team was defeated, with the exception of Center Grove.

This is the last year Coach Bankston will be head coach. He retires after 20 years of coaching.

NETTING SUCCESS

Coach Huffman comments that she is very proud of the tennis team, whose varsity record is 6-7 and reserve record is 13-0. "They have worked through a lot of tough times and gained a lot of experience for next year." There will be eight returning lettermen and 10 returning reserve players for next year, so the future looks good. Coach Huffman is satisfied with the season, commenting "We still have a long way to keep building, but we accomplished an awful lot this season." She also says that the reserve team has shown a great deal of improvement and that she couldn't ask for much more.

THE JAMES GANG

Finishing the season as tri-champions in the CSAC, the varsity basketball team ended with a record of 15 wins and 5 losses. Ryan Crafton received the Most Valuable Player award. Mike Mozingo and Tom Reasoner received the Plumber award. Steve Mozingo had the highest percentage on the free throw line and in assists. Those who had the most rebounds were Stacy Tungate and Tom Reasoner. Coach James added, "These kids were a special group. Their biggest strengths were their attitudes, their togetherness, and their ability to work hard."

SHOOTING STRAIGHT FOR THE TOP

Franklin Central's Junior Varsity basketball team ended the season with a 14-6 final record. Coach Torgersen believes the highlight of the year was their 50-32 defeat over Warren Central. The team's honorary captain was Todd Spangler.

"This years JV team was an exceptional group of young men. I was proud to be associated with them. They played with great effort and played together as a unit. No one was worried about his personal achievements, but instead was concerned about the team's successes," said Coach Torgersen.

IN THE BEGINNING

The freshman boys basketball team ended its season with a final record of 11-8. The B team had a final record of 10-4. The A team starters were Phil Longenecker, Kevin Johnson, Mike Cradick, Copatric Dartis, and Eddie Heath. Coach Skaggs feels the team did very well. He says, "They're a hard working group of kids that displayed an excellent attitude all year long." The team won seven out of its last nine games to make it a successful season. When asked what he thinks about the competition, Mr. Skaggs replied, "You will always run into excellent competition when you're competing against Marion County teams."

LADY FLASHES

Mr. Knoop was excited about his team, the girl's varsity basketball team. He felt that they improved and were a complementary group. The team's biggest challenges were rebuilding after the defeat in the Greenfield game and facing the talented press of Brebeuf after a tiring double overtime against Decatur Central in the County Tournament. Their final record was sixteen wins and seven losses.

Miss Stricker felt her team, the girl's reserve basketball team, had hard workers, competitors and players who had a desire to improve. Their biggest challenge was the last game against Lawrence Central, which they won on a last second shot. Coach Stricker was impressed with the season and said, "We improved throughout the season, had good leadership, played hard and had fun playing." She is looking forward to having a stronger team next season.

The freshman girl's basketball team's coach, Mr. Burney, felt the girls worked hard and improved throughout the year. He also felt the competition was really tough this year. The team's biggest challenge was Fulton. Mr. Burney also commented that the experience the girls received this year will help them in the future.

IT TAKES A PIN TO WIN!

The varsity wrestling team had the fourth most wins in the school history and finished second in the conference. Franklin Central wrestles the largest schools in the state and has been beating them for four years. David Deerburg, Rich Wilsey, Heath Reeves and John Neel are among the top varsity wrestlers.

The team ended the season with 9-4 as a final dual record. Top sectional wrestlers included Rich Willsey, David Deerberg, Andre Anderson, Herbert Gary, Joe Emmert, Jeremy Miller, Heath Reeves, Mike Crist, John Neel, Bill Boyer, Doug Keown, Jeff Hart, and Jeff Horne. David Deerberg, Rich Willsey, Heath Reeves, Andre Anderson, and Herbert Gary all placed at regionals. David Deerberg placed 4th and Rich Willsey took 5th at the semi-state competition. David Deerberg represented FC at the state competition.

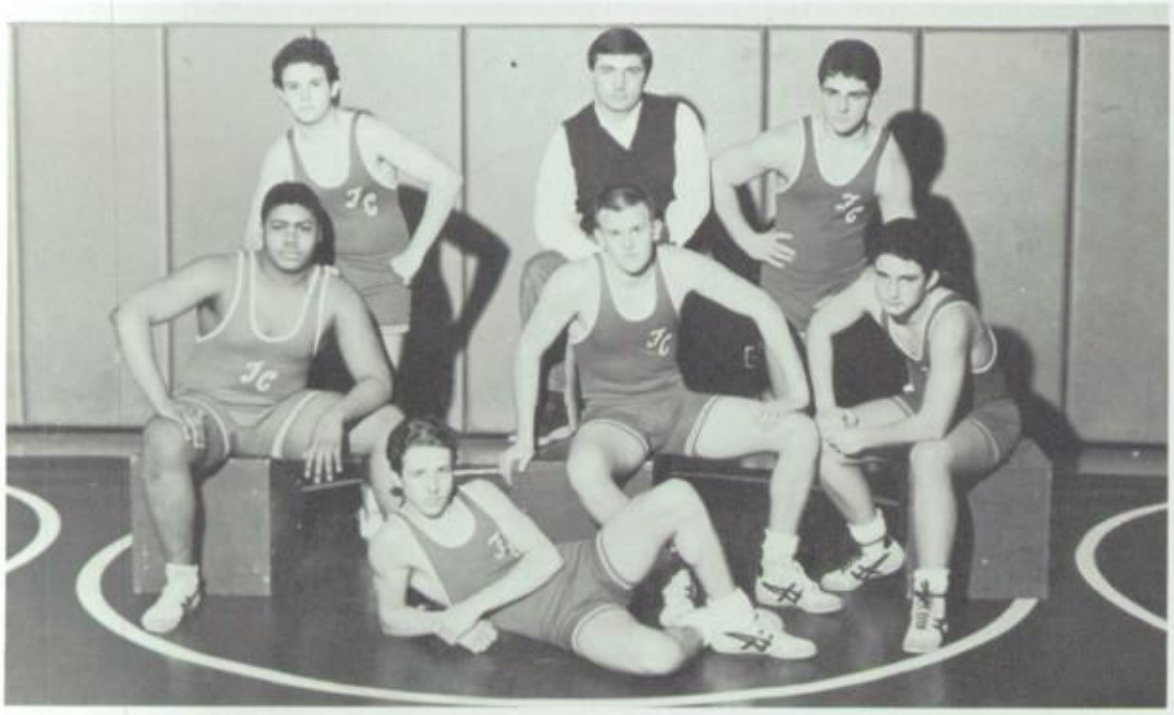
IT TAKES DETERMINATION TO WIN



The reserve wrestlers ended the season with a final record of 11-6. Some of the top wrestlers included Jon Rickett with a record of 14-4-1 and Jeff Horne with a record of 14-2. Horne moved up to the varsity team late in the season.

Coach Kissinger feels the reserve team did really well considering there were only five reserve wrestlers. Mr. Kissinger was especially proud of his wrestlers at the Muncie South Tourney, where they won all three duals. He is also proud of those who "stuck it out" when it became tough to do so.

IT TAKES COURAGE TO WIN

Coach Casselman feels the freshman wrestlers had a successful season. Bill Asher, Scott Lewis, Eric Kelly, Tim Back, Ken Scales and Jason Stover are among the top freshman wrestlers. Captains, voted on by the team, were Tim Back and Eric Kelly. Ken Scales was voted Most Valuable Wrestler.

Casselman commented that the competition was very strong and it continues to get stronger. The team's biggest challenge was the County Tourney, in which FC placed 4th out of 16 schools.

PUTTERING AROUND

The varsity golf team consists of Mike Mozingo, Todd Spangler, Gary Lock, Josh Stevens, and Chris Land. Steve Mozingo, Doug Rushton, and Kurt Harmon make up the junior varsity. Mr. Skaggs feels the key to the team's success has been the team's depth. He comments, "In the past we've only had one man capable of breaking 40. Now we have 5 or 6 capable of shooting bogey golf or better."

The future looks bright for golf with everyone returning except one senior, Mike Mozingo. Hopefully the future golf seasons will be as successful, or even more so, as this one has been.

TRACKING ALONG

The girls track team completed its season with a record of five wins, four losses and one tie. This is the best record for the girls track team in F.C.'s history. Coach Richhart felt that the team was a very dedicated group of gals. She was very pleased with the team's progress. She said that they'd be losing only two seniors and the team should be even stronger next year. She commented, "Overall, we have had a very successful season. I have been quite pleased with our accomplishments this season. I expect even bigger and better things to happen next year as I will have six juniors back." Records which were broken were the 300m dash by Alicia Harris and the 400m relay by the team of Stapert, Johnson, Harris and Stewert. Susan McClary set the school record for the 3200m run, which was a new event this year. The Lady Flashes qualified individuals for sectionals in every event but the 300m hurdles. Coach Richhart also commented that some of her toughest competitors were Alicia Harris, Jenny Schemenaur, Nicole Beckman, and Rachel Fallon.

The boys track team completed its season with a record of five wins and four losses. Their toughest competition was against North Central and Lawrence North. Coach Bannon felt the team was encouraged by the steady improvement of most people and the returning strength of the underclassmen. The school record in discus was broken by Carl Kendrick, who went undefeated. Other strong points of the team are Herbert Gary in sprint events, Brad Cougill in pole vault, Geoff Horen, Joe Slater and Jon Denny in distance events, and Derek Asay in the 800m run.

THE SOFT TOUCH

"I had a group of hardworking and extremely competitive young ladies to work with," commented Mrs. Miniear. Greenfield Central was their toughest competitor. According to Mrs. Miniear, the team has many strong points, such as putting mistakes behind them, consistent pitching, and good batting averages. The team ended the season with a record of 7 wins and 5 losses. Mrs. Miniear added, "I really enjoyed working with this group because they pushed themselves to improve."

The varsity team ended their regular season with 5 wins and 12 losses. Their toughest competitors were Southport, Perry Meridian, and Greenfield. According to Ms. Stricker, the team's strong points are some good hitters, but the team is young and will improve once they have experience. "We improved overall but still have much room for improvement. We need someone to step out and take a leadership role and this will help team play and generate enthusiasm," commented Ms. Stricker.

AT THE CRACK OF A BAT

The varsity baseball team ended its season with wins and losses. The toughest competitors were Roncalli, Center Grove, and Warren Central. According to Mr. Rockey, the team's strengths are hitting and pitching. There are seven starters batting over .300. The pitching staff has an earned run average of 3.40. Mr. Rockey commented, "I am pleased with our record. Our biggest wins have been a doubleheader sweep of Perry Meridian and reaching the Mooresville tournament championship game." Five seniors are members of the varsity squad.

Unity is the Key to the reserve baseball team. According to Mr. Glesing, the players stick together through thick and thin. Center Grove, and Perry Meridian are the team's toughest competitors. Mr. Glesing commented, "I feel my players have learned a lot in the short season we've been together. It has been a pleasure working with the ball players I have. I'm excited to be back where I got my start."

THE BEGINNING

The freshman baseball coach, Dan Hyde, considered the team's toughest competition to be themselves. As the season went on, he felt they progressed fundamentally. The strong points of the team were their willingness to concentrate on improvements and their ability to compete on game days. Mark VanHooser commented, "We won our games by our hitting abilities." Bret DeGarmo commented, "We have excellent fielders." Both felt it was a fairly good season. The team completed their season with a record of 7 wins and 3 losses.

CREATIVE MINDS

Lives today are influenced by a variety of elements—friends, sports, and academics—but perhaps one of the greatest unrecognized forces in lives is the impact left by the teachers.

Teachers are often here early and stay late. Their job does not stop the minute they leave but continues on at home and into the weekends. Teachers have a desire to see their students learn and succeed, and they put forth long hours and much effort to try to insure that students experience success and have fun at the same time.

The teachers try to put some excitement in the world of school today. Some of the teachers make their lessons into games. While students are playing the games, they are also learning.

Every day these teachers instill things that will help students now and in the future. So just remember that many of the professional people today, such as lawyers, doctors, and even the President of the United States, owe much of their success to the dedication of teachers from their past.

ON THE JOB . . .

Three divisions of people, without much fanfare, keep the school running efficiently—the bus drivers, cooks, and custodians.

Expertly preparing meals for a large student body, the cooks keep busy under the leadership of Ms. Marie Moore. Coming early and staying late, the custodians work in shifts to keep up with the daily cleaning and maintenance.

Bus drivers not only provide daily transportation in all kinds of weather but also give their time to transport students to various extra-curricular activities.

BACCALAUREATE '87

Baccalaureate ceremonies were held on Sunday, May 17, 1987, at 4:00 p.m. The benediction was given by Dawn Porter, Vice-president of the senior class. The musical prelude was performed by the choir, the chorus, and the F.C. Singers. The senior processional began with combined choirs singing "Friends."

The Invocation was presented by Treasurer, Deanna Starks. Following this, Mike Mozingo, sang "You'll Never Walk Alone."

Reverend Glen Skiver presented the Baccalaureate address to all the seniors. The candlelight ceremony then followed. The evening was ended by the senior recessional.

A SCHOOL YEAR ENDS . . .

On Friday, May 22, 1987, two hundred thirty seniors gathered with their family and friends in the Franklin Central Gymnasium for Commencement.

The invocation was said by Mike Mozingo, the class president, who also led the seniors in the graduation ritual. Salutatorian, Rich Nye, gave a speech on "What is Success?" followed by a speech by valedictorian, Amy Wakeland, on "Leadership Starts with Service." Donna Starks, the class secretary, gave the benediction.

Senior class colors were royal blue and silver. The senior class flower was the red rose, and the class motto was "We've Only Just Begun." They chose as their class song "Dreams" by Van Halen.

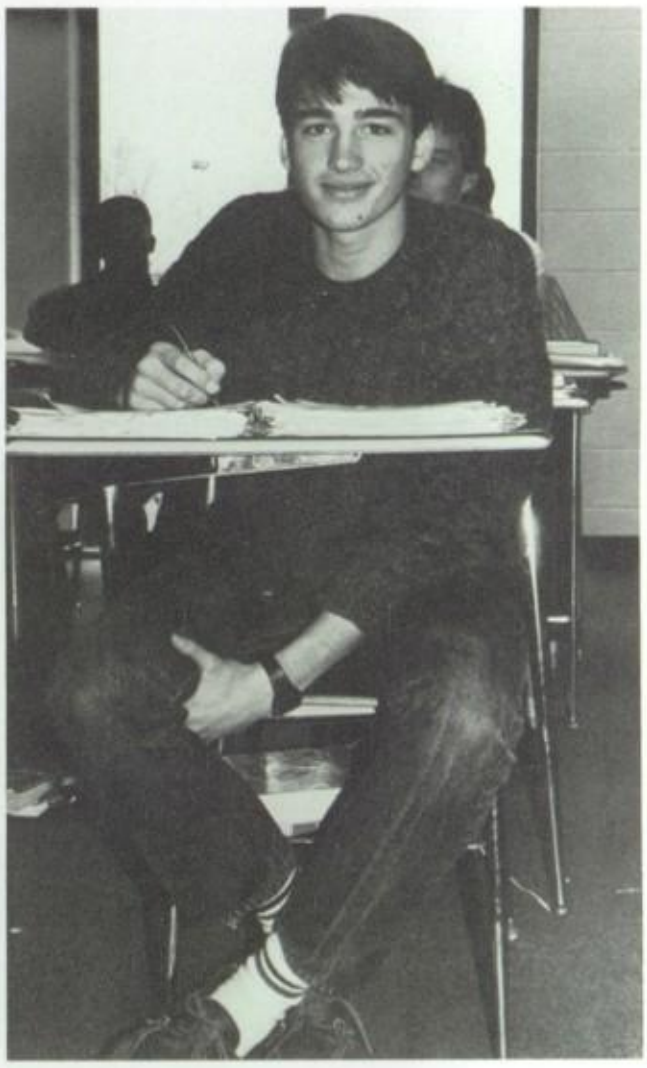
EXPERIENCE OF A LIFETIME

Kerstin Hermann likes America a lot, although it is very different from her home country of Germany. In Germany, sixteen is the drinking age and eighteen is the age to drive. Kerstin enjoys television, shopping, and sports. Annick DeCuypere, pictured second, is from Belgium on an eleven month program. "Everything is so big and different," she said. Annick likes American sports. Roberto Breton likes Franklin Central and his new American home. He enjoys football and ice hockey, which Spain doesn't have. Roberto also likes American television, especially MTV. He commented, "I think that becoming an exchange student was exciting and interesting. I would recommend it to anyone!"



"Japan is very different," said Wakana Okamoto when asked how she liked America. She envies American people for all their freedom. Wakana enjoys going to the movies and shopping. She also plays the flute in band class. She feels people are friendly and very helpful.

Fay Rita Sivertsen is from Norway. She really loves America and her American family. She feels that there is more freedom here and that American people are more busy all the time. Fay Rita likes television and horseback riding.

Waiting For Next Year

The class of 1988 is the largest class to ever walk through the halls of F.C. Over the past three years, strong ties and friendships have been formed among this class which all year excitedly anticipates their upcoming senior year during which they can finally dominate.

The junior year is a time when students have to start planning for their futures, working to earn money for college, and deciding upon careers. It's also a time for celebrating with dances, parties, and with the homecoming and the prom which they are responsible for planning. Now is the time for juniors to celebrate their "free" years before they have to make it on their own.

STRIKES AND SPARES

Every year there are intramural sports conducted, which offer organized competition without the pressures of interscholastic competition. One sport is bowling. This year there was a larger turn-out with 57 members in groups of three. The season lasted longer than in years past. The groups met at Expo Bowl in Beech Grove. They had a tournament with the 19 teams. The winner of the tournament was Joe Dobbs' team with Kent Anness and Gary Lock. Joe Dobbs also had the highest average of the boys, and the girls' highest bowling average was by Windy Whitlock.

With the large turnout and the fierce competition, the games were greatly enjoyed. As the season came to a close, the members realized the year of bowling was "Out of The Ordinary."

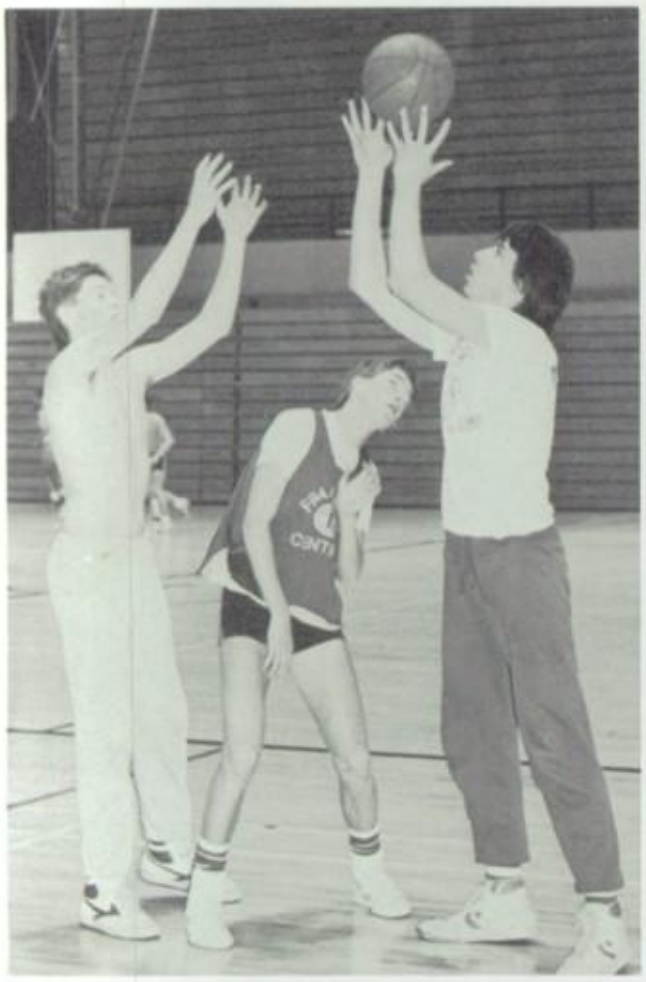
FREE THROWS AND FIELD GOALS



This year's basketball intramurals were quite different from years' past. With a total of 16 teams, the intramural season seemed to be taken more seriously. It was very intense, and the players seemed to really want the glory of the championship title. Not only was the morale high but the competition was tough! The players gave their all to win the tourney.

Only one team can hold the title of being the champs. That was team number three, the "Silk Brothers." "Though the Cool Kings and the B-team beat us in regular play by a total of three points, we came back and DOMINATED by a total of 13 points in the championship over both teams and showed that the 'Silk Brothers' are #1," claimed Tom Corlett and Scott Simpson.

ABOVE ALL THE REST!

The Honor Awards Banquet was held on March 24, 1987. The banquet started with the Invocation by president of the National Honor society, Richard Nye. After dinner, the guests were entertained by the F.C. Singers. Later, after speeches by Mr. Carver and Dr. Duke, the honor students received their plaques from Mr. Burleson.

The students receiving awards were those who maintained a grade point average of A– or better for the previous two semesters.

Even though it is difficult for today's young adults to find time for both academic and extracurricular responsibilities, these students have managed to excel in a tough world.

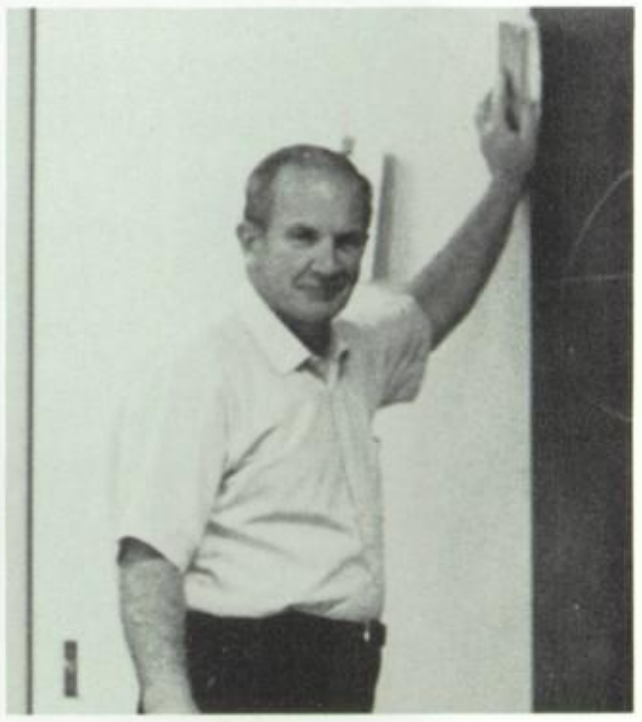
PUBLIC SERVANT LEAVES FRANKLIN CENTRAL



Mr. Eastes has been a part of FC for the past 29 years. He was head of the math department for 18 years, and he has taught Algebra 1-2, Algebra 3-4, trigonometry, plain geometry, analytical geometry, and calculus.

In the past, he was a junior class sponsor, Future Teachers sponsor, and concession stand manager.

Mr. Eastes has also done much for F.C. besides teaching. He took upon himself the duties of raising and lowering the flag each day. He has worked on the school grounds, planting and nurturing flowers. He did much of the work on the patio at the middle school also. He brings in popcorn for teachers every Friday and has sponsored a number of parties for the teaching staff.

Mr. Eastes has done extensive work outside of school. He plans a yearly Christmas dinner for some retired teachers and their first principal and arranges for these same teachers to visit yearly a retired teacher who is a shut-in.

He has a continuing interest in public affairs and served as township trustee from 1966-1978 in the area where he has lived for many years. Writing under the name Samuel J. Perkins, Mr. Eastes has had several letters to the editor published in Indianapolis newspapers.

"Somebody will take his position, but no one will take his place."

—Mrs. Reel

"He is one of the better teachers I have ever had. He's terrific!"

—Sandy Waynick

"How are we going to solve anything without him? He is #1."

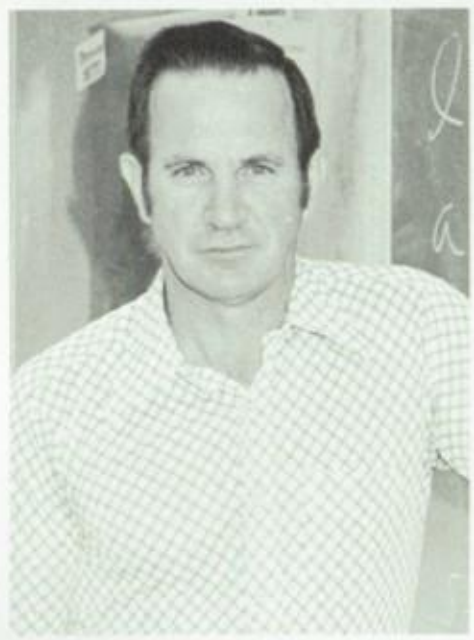
—Mr. Rockey

"I'll miss his throwing butterscotch candies, shooting rubber bands, and turning off my lights."

—Mrs. Horvath

"He is one of the best teachers FC has ever had; it will be our loss when he is gone."

—Tricia Renie

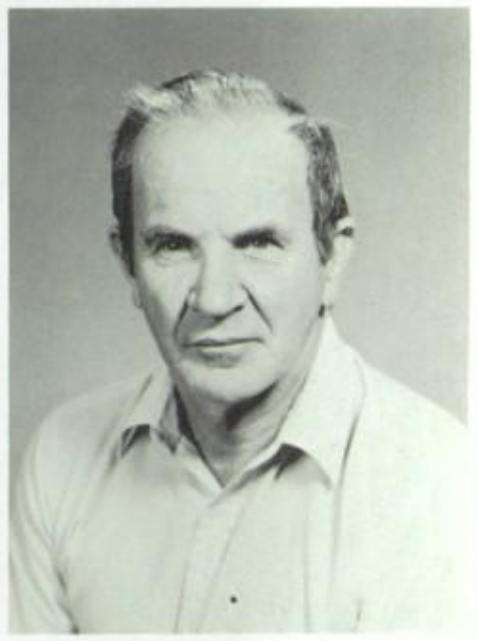


"He was one of the best teachers that I have had; he made class interesting, even on those dry days!"

—Todd Swails

"Not only did I learn the fundamentals of math, but I learned a tremendous amount about everyday life!"

—Ronda Rushton



"I consider Mr. Eastes a very good friend. He is an excellent teacher, one who has given much of himself to Franklin Central High and the community. He will certainly be missed at Franklin Central."

—Mr. Cougill

DEDICATED ADMINISTRATOR DEPARTS

Mr. Burleson, who has been at Franklin Central for the past nine years, plans to retire after this school year to travel and practice his hobbies, which include fishing and golfing.

One of thirteen children, he attended Tech High School, was an undergraduate at the University of Indianapolis and a graduate student at Butler University. He served in the U.S. Navy during WW II.

During his thirty-four years as an educator, he has been a coach, club sponsor, dean, and vice principal.

When asked what he felt about Franklin Central and the student body, he replied, "Franklin Central has been the most rewarding experience that I have had since entering the profession in 1953. The students are, in general, the most important thing at this school—outstanding!"

"Mr. Burleson, remember, no matter where you go, there you are."
—Mrs. Wood

"People will miss his cheerful disposition and his fishing stories."
—Mrs. Gruner

"I have appreciated very much working with Mr. Burleson this year. His years of experience and his wisdom have helped me adjust very much to the principalship."
—Dr. Duke

"One of the best administrators I have worked for."

Left to right, top to bottom: **Among the celebrities who died in 1986** were singer Kate Smith who died June 17 at age 79; Benny Goodman, died June 13; James Cagney, died March 30 at the age of 86; and Ted Knight, died August 26 of cancer at the age of 62. **Famous actor, Cary Grant** dies in 1987. **Deep under Lake Nios** in northwestern Cameroon, the earth belched. A bubble of scalding gas rose to the surface and the wind carried it across the land. Within minutes, more than 1700 people were dead, burned by steam and choked by carbon dioxide and toxic gases. (Among the casualties was a large group of cows.) **They call it "crack" on the East Coast and "rock" on the West Coast.** Whatever its name, this refined, smokeable form of cocaine may be the most addictive narcotic ever sold on the streets of America. **Caroline Kennedy married Edwin Schlossberg** on July 19, 1986. **Miss Tennessee, Kellye Cash,** the grandniece of country star Johnny Cash, was crowned Miss America 1987. **Howard Baker** replaced Donald Regan as Secretary of State. **These four men were prominent figures** in the 1987 Iran-Contra scandal. **Gennadiy Zakharov, a Soviet U.N. employee** was arrested and charged with spying. A week later American journalist Nicholas S. Daniloff was arrested in Moscow, accused of spying on the Soviet Union. Both men were released within weeks. **Britain's Prince Andrew married** English commoner Sarah Ferguson in July. **President Ronald Reagan** and Soviet Leader Mikhail Gorbachev met in Reykjavik, Iceland, for a two-day summit in October to discuss arms control. **Philippine president Ferdinand E. Marcos** was forced from office amid charges of corruption and scandal. The new president, Corazon Aquino, was faced with political and economic turmoil.

Many farmers in the Carolinas, Georgia, Tennessee and Virginia were on the brink of ruin. **Representative Dan Rostenkowski and Senator Bob Packwood,** headed the House tax overhaul delegation which brought about sweeping changes throughout the United States. **Two Arab terrorists** stormed Istanbul's main synagogue on September 6, killing more than 20 worshippers with submachine-gun fire. The terrorists killed themselves with hand grenades when police arrived. **The city of New York** gave the Statue of Liberty a big 1986 bash—a Fourth of July Festival of song, celebrities and fireworks honoring the great lady's first 100 years. **U.S. Air Force and Navy jets** attacked five targets inside Libya under cover of darkness in April of '86, delivering a response to what President Reagan called the "monstrous brutality" of Libyan-backed terrorism. **The Voyager sailed across the skies,** going around the world non stop and non refueled.

ALMOST LIKE A FAMILY

Almost like a family, is a good way to describe the "out of the ordinary" staff that put this book together. Every year a staff of 15 or so people spend long hours of hard work taking and cropping pictures, writing copy, and doing rough and final layouts many times over just to make everything fit. During those long hours many friendships are made through the laughing because of mistakes made and corrections done for sometimes the fourth time. Through all the computer malfunctioning, losing and recovering of pictures, and teaching newcomers the same thing over twelve different times, we finally made it.

There are many memorable moments through the year that will never be forgotten. Ones that would like to be forgotten are the deadline days with everyone frantic to get the pages in on time. None of us will forget the good times or the friendships made throughout the year. We, as a family, hope you enjoy our and your yearbook. The 1987 staff.

Cheri,
To my very best friend.
You alot of fun, sweet, nice,
smart.... Thank you for
always being there when
I need you, and, god, for
cheering me up when I'm
down. I don't think I
could have made it last
year(mentally, emotionally) without
you! I'll always be there
for you, don't ever forget that.
I know at times I seem
like I don't seem to hear
what you say, but I do.
What ever you need I'm
there. You so beatiful, and
don't you ever worry about
the guys they know your
there, believe me! (over here)

Cheri,
You're a really sweet girl. Thanks for being there when I needed someone to talk to. You and Denise seem to always cheer me up when I'm feeling down. Good luck in future years!
Love,
Teresa

Cheri,
So my little (or should I say taller?) sis I do love you a lot. I'm glad I don't get all those all-A's! Good luck in all your classes & sports. Maybe you or I will have more free time next year. Actually I love a lot of homework!
Love,
Tammy
